SKILLS

Programming Languages

- C++, JavaScript, PHP

Frontend Development

- HTML, CSS, JavaScript, React, Bootstrap, Tailwind CSS

Backend Development

- Node.js, Express.js

Database

- MongoDB, MySQL, SQL

Tools & Technologies

- Git, GitHub, VS Code, Postman, MongoDB Atlas

Core Concepts

- Data Structures, Object-Oriented Programming, Database Design, REST APIs

LANGUAGES

- Amharic – Native
- English – Good

PROFILE

Third-year Computer Science student at Bahir Dar University with hands-on experience in full-stack web development using the MERN stack. Developed responsive web applications, including a rent housing system and a personal portfolio website. Skilled in React, Node.js, Express.js, and MongoDB. Interested in problem-solving and writing clean, maintainable code. Seeking a software development internship to apply my skills and gain practical industry experience.

PROJECTS

Portfolio Website (MERN Stack)

- Developed a personal portfolio website to showcase projects, skills, and experience.
- Built using React with responsive design and modern UI.
- Implemented project filtering, smooth navigation, and interactive components.
- Integrated backend functionality for contact form handling.
- GitHub: <https://github.com/esubalew7/portfolio-mern>
- Live Demo: <https://portfolio-mern-one-rho.vercel.app>

Rent Housing System (Full Stack)

- Developed a full-stack web application using the MERN stack for property rental management.
- Implemented user authentication, property listing, and search functionality.
- Designed RESTful APIs using Node.js and Express.js.
- Used MongoDB for efficient data storage and management.
- GitHub Link: github.com/esubalew7/Rent-Housing-Finder-2

College Website Project

- Developed a responsive college website using HTML, CSS, and JavaScript.
- Designed user-friendly interface with structured navigation.
- Ensured mobile responsiveness and cross-browser compatibility.
- GitHub Link: github.com/esubalew7/College-Website

EDUCATION

Bachelor of Science in Computer Science

Bahir Dar University, Ethiopia

Expected Graduation: 2027

CERTIFICATIONS

- Web Development Certificate – @ caddy.tech
- Advanced Programming (React) – @ BiT Career Development Center
- CCNA: Introduction to Networks – @ Cisco Networking Academy
